

Active Fiber Complex

What is it?

- A healthy fiber powder to support regularity and healthy digestion
- Available in a natural flavor and a delicious apple flavor

Active Fiber Complex

How does it work?

- Improves regularity and bowel function*
- Supports nutrient absorption and growth of friendly intestinal bacteria*
- One serving provides 5 grams of the recommended 25 to 35-gram daily intake of fiber

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Making the world healthier.

Active Fiber Complex

Why is it important?

- Many modern diets lack sufficient fiber, which is important for weight management and intestinal health
- Most people eat half the recommended daily dietary fiber intake

Active Fiber Complex Herbalife Unique Solution

- Contains both soluble and insoluble fibers to minimize bloating
- Enhances Formula 1 shake with great health benefits while adding a 'feel fuller' benefit and a thicker consistency

Active Fiber Complex Key Message

- Promotes regularity, healthy bowel movement and general colon health*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Making the world healthier.

Florafiber What is it?

- A combination fiber and acidophilus tablet to improve health and digestion*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Florafiber

How does it work?

- Lactobacillus helps promote healthy colon function*
- Contributes to overall digestive health*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Florafiber

Why is it important?

- A diet poor in fiber can promote fat absorption, slowing weight loss
- Bad bacteria such as yeast and fungus can grow in the intestine and need to be balanced by “good bacteria”
- Provides “friendly bacteria”

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Florafiber Herbalife Unique Solution

- One tablet introduces millions of lactobacillus acidophilus cells

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Making the world healthier.

Florafiber Key Message

- Improves your health and digestion and provides “friendly bacteria” *

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Making the world healthier.
